**VISIONS AT ORLANDO WEST COMMUNITY DEVELOPMENT DISTRICT
FISCAL YEAR 2024/2025 BUDGET FUNDING AGREEMENT**

This Agreement (the "Agreement") is made and entered into this 1st day of October 2024, by and between:

Visions at Orlando West Community Development District, a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, and located in Osceola County, Florida, with a mailing address of 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 ("**District**"), and

Visions at Orlando West, LLC, a Florida limited liability company and the developer of the lands in the District ("**Developer**"), with a mailing address of 2333 Ponce de Leon Blvd., Suite 630, Coral Gables, Florida 33146.

Recitals

WHEREAS, the District was established by an ordinance adopted by the Board of County Commissioners of Osceola County, Florida, for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure; and

WHEREAS, the District, pursuant to Chapter 190, *Florida Statutes*, is authorized to levy such taxes, special assessments, fees and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer is presently developing the majority of all real property ("**Property**") within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities and services and from the continued operations of the District; and

WHEREAS, the District is adopting its general fund budget for Fiscal Year 2024/2025, which year commences on October 1, 2024, and concludes on September 30, 2025 (the "**FY 2025 Budget**"); and

WHEREAS, the FY 2025 Budget, which both parties recognize may be amended from time to time in the sole discretion of the District, is attached hereto and incorporated herein by reference as **Exhibit A**; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all land, including the Property owned by the Developer, that will benefit from the activities, operations and services set forth in the FY 2025 Budget, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property, the Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in **Exhibit A**; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit equal to or in excess of the costs reflected on **Exhibit A** to the Property; and

WHEREAS, the Developer has agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the Property located within the District for the activities, operations and services set forth in **Exhibit A**;

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the parties agree as follows:

SECTION 1. The Developer agrees to make available to the District the monies necessary for the operation of the District, as called for in the FY 2025 Budget attached hereto as **Exhibit A**, within fifteen (15) days of written request by the District. Amendments to the FY 2025 Budget as shown on **Exhibit A** adopted by the District at a duly noticed meeting shall have the effect of amending this Agreement without further action of the parties. Funds provided hereunder shall be placed in the District's general checking account. In no way shall the foregoing in any way affect the District's ability to levy special assessments upon the property within the District, including the Property, in accordance with Florida law, to provide funds for any unfunded expenditures whether such expenditures are the result of an amendment to the District's FY 2025 Budget or otherwise. These payments are made by Developer in lieu of operation and maintenance assessments which might otherwise be levied or imposed by the District.

SECTION 2. The District shall have the right to file a continuing lien (the "Lien") upon the Property described in **Exhibit B** for all payments due and owing under the terms of this Agreement and for interest thereon, and for reasonable attorneys' fees, paralegals' fees, expenses and court costs incurred by the District incident to the collection of funds under this Agreement or for enforcement of this Lien, and all sums advanced and paid by the District for taxes and payment on account of superior interests, liens and encumbrances in order to preserve and protect the District's Lien. The Lien shall be effective as of the date and time of the recording of a "Notice of Lien for the FY 2025 Budget" in the public records of Osceola County, Florida, stating among other things, the description of the real property and the amount due as of the recording of the Notice, and the existence of this Agreement. The District Manager, in its sole discretion, is hereby authorized by the District to file the Notice of Lien for the FY 2025 Budget on behalf of the District, without the need of further Board action authorizing or directing such filing. At the District Manager's direction, the District may also bring an action at law against the record title holders to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may

partially release any filed Lien for portions of the Property subject to a plat if and when the Developers have demonstrated, in the District's sole discretion, such release will not materially impair the ability of the District to enforce the collection of funds hereunder. In the event the Developers sell any of the Property described in **Exhibit B** after the execution of this Agreement, the Developers' rights and obligations under this Agreement shall remain the same, provided however that the District shall only have the right to file a Lien upon the remaining Property owned by the Developers.

SECTION 3. In the event Developer fails to make payments as and when due to the District pursuant to this Agreement, the District shall have the following remedies, in addition to other remedies available at law and equity:

A. At the Board's direction, the District may bring an action at law against the record title holder to the Property to pay the amount due under this Agreement, or may foreclose the Lien against the Property in any manner authorized by law. The District may enforce the collection of funds due under this Agreement by action against Developer in the appropriate judicial forum in and for Osceola County, Florida. The enforcement of the collection of funds in this manner shall be in the sole discretion of the District Manager on behalf of the District.

B. The District hereby finds that the activities, operations and services set out in **Exhibit A** provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. Developer agrees that the activities, operations and services set forth in **Exhibit A** provide a special and peculiar benefit to the Property equal to or in excess of the costs set out in **Exhibit A**, on an equal developable acreage basis. Therefore, in the alternative, or in addition to the other methods of collection set forth in this Agreement, the District, in its sole discretion, may choose to certify amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197 or under any method of direct bill and collection authorized by Florida law. Such assessment, if imposed, may be certified on the next available tax roll of the Osceola County property appraiser. Developer hereby waives and/or relinquishes any rights it may have to challenge or object to such assessments if imposed, as well as the means of collection thereof.

SECTION 4. This instrument shall constitute the final and complete expression of the agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the parties hereto.

SECTION 5. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.

SECTION 6. This Agreement may be assigned, in whole or in part, by either party only upon the written consent of the other, which consent shall not be unreasonably withheld. In the event that Developer sells or otherwise disposes of its business or of all or substantially all of its assets relating to the lands within the District, including the Property, Developer will expressly require that the purchaser agree to be bound by the terms of this Agreement. In the event of such sale or disposition, Developer may place into escrow an amount equal to the then unfunded portion of the adopted FY 2025 Budget to fund any budgeted expenses that may arise during the remainder of the fiscal year and provide the District evidence of assignment of this Agreement to the purchaser. Upon confirmation of the deposit of said funds into escrow, and evidence of such assignment to, and assumption by the purchaser, the Developer's obligation under this Agreement shall be deemed fulfilled and this Agreement terminated with respect to Developer's obligations. The parties hereto recognize that Developer is responsible for expenditures of the District in the FY 2025 Budget and that expenditures approved by the Board may exceed the amount adopted in the FY 2025 Budget. Developer shall notify the District in writing ninety (90) days prior to an anticipated sale or disposition of all or substantially all of the Property.

SECTION 7. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and specific performance and specifically including the ability of the District to enforce any and all payment obligations under this Agreement in the manner described in Paragraph 3 above.

SECTION 8. This Agreement is solely for the benefit of the parties hereto and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any person or entity not a party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or entity other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors, and assigns subject to the terms of Paragraph 6 above.

SECTION 9. This Agreement and the provisions contained herein shall be construed, interpreted, and controlled according to the laws of the State of Florida. Venue shall be in Osceola County, Florida.

SECTION 10. This Agreement has been negotiated fully between the parties as an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are each deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

SECTION 11. The Agreement shall be effective after execution by both parties hereto. The enforcement provisions of this Agreement shall survive its termination, until all payments due under this Agreement are paid in full.

SECTION 12. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the substantially prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorneys' fees, paralegal fees and expert witness fees and costs for trial, alternative dispute resolution, or appellate proceedings.

IN WITNESS WHEREOF, the parties execute this Agreement the day and year first written above.

Memorandum

To: Board of Supervisors

From: District Management

Date: August 15, 2024

RE: HB7013 - Special Districts Performance Measures and Standards Reporting

To enhance accountability and transparency, new regulations were established for all special districts, by the Florida Legislature, during their 2024 legislative session. Starting on October 1, 2024, or by the end of the first full fiscal year after its creation (whichever comes later), each special district must establish goals and objectives for each program and activity, as well as develop performance measures and standards to assess the achievement of these goals and objectives. Additionally, by December 1 each year (initial report due on December 1, 2025), each special district is required to publish an annual report on its website, detailing the goals and objectives achieved, the performance measures and standards used, and any goals or objectives that were not achieved.

District Management has identified the following key categories to focus on for Fiscal Year 2025 and develop statutorily compliant goals for each:

- Community Communication and Engagement
- Infrastructure and Facilities Maintenance
- Financial Transparency and Accountability

Additionally, special districts must provide an annual reporting form to share with the public that reflects whether the goals & objectives were met for the year. District Management has streamlined these requirements into a single document that meets both the statutory requirements for goal/objective setting and annual reporting.

The proposed goals/objectives and the annual reporting form are attached as exhibit A to this memo. District Management recommends that the Board of Supervisors adopt these goals and objectives to maintain compliance with HB7013 and further enhance their commitment to the accountability and transparency of the District.

MEMORANDUM

TO: VISIONS AT ORLANDO WEST COMMUNITY DEVELOPMENT DISTRICT
("DISTRICT")

FROM: TUCKER MACKIE

DATE: SEPTEMBER 29, 2023

RE: PROPOSED FINANCING TIMELINE FOR THE DISTRICT

This memorandum describes the process for issuing bonds to finance public infrastructure improvements. Note that this timeline may vary based on the requirements of the specific jurisdiction. Further, the timeline assumes that there are no delays from advertising, failure of written notice for any of the required hearings, or any other delays. Any of these occurrences would lengthen the anticipated times.

CDD FINANCING INFORMATION

There are two important steps that must be completed prior to a CDD being able to issue bonds: validation and the levy of assessments. A CDD is statutorily required to have bonds validated in circuit court. Further, no underwriter will be able to close on a bond series without the CDD first having levied the assessments that will be the security for the bonds. The timing of these steps in relation to each may vary widely depending on such factors as development plans, the developer, and market factors. Concurrent with the process described in the Bond Validation Timeline below, the CDD could take all necessary actions to levy the assessments securing the bond issuance and finalize all attendant financing documents such that the CDD could close on an issuance of bonds at the expiration of the appeal waiting period (as further described below). However, the exact financing timeline should be arrived at in conference with the underwriter, bond counsel, and financial advisor. The timeline below should be used as a framework for further discussion.

Bond Validation Timeline

The following represents a potential timeline for the validation process. This represents an aggressive schedule and should be used at this point as a framework for further discussion.

Day 1 Organizational Meeting. An organizational meeting is held subsequent to the CDD's establishment. The meeting must be noticed in the local newspaper at least seven (7) days prior to the first meeting, and the publication process requires at least three (3) days lead time. At the organizational meeting, an engineer's report and bond resolution could be adopted to begin the bond validation process. The assessment process could also be started.

Day 5 File for Bond Validation. If the bond validation process is authorized at the organizational meeting, the next step would be to file a complaint in Circuit Court ("Court") seeking validation of the bonds, obtain a date and time for a hearing on the validation complaint, and request that the Court issue a notice and order to show cause. The Court's docket will determine the time for the hearing. However, the hearing must be scheduled at least thirty (30) days after the issuance of the notice and order to show cause in order to allow for the statutorily required publication period for the notice and order.

Day 65-95 Bond Validation Hearing & Entry of Final Judgment. At the bond validation hearing, the Court will receive evidence regarding the bond obligation and, in the perfect scenario, enter final judgment validating the bonds on the day of the hearing. The Court may however hold the hearing, but wait to enter final judgment. The bond validation process, from the filing of the complaint to entry of final judgment, typically takes sixty (60) to ninety (90) days.

Day 95-125 Appeal Waiting Period Expiration. The CDD will not be able to issue bonds until a thirty (30) day appeal period runs from the time the Court enters final judgment. If the Court enters final judgment on the day of the hearing, the appeal period will expire on the thirtieth day. The Clerk of Court will issue a certificate of no appeal usually one (1) or two (2) days after the appeal period runs. The closing on the sale of the bonds could be held on the same day the certificate of no appeal is issued.

Day 126-? Issue Bonds. As previously stated, concurrent with the process described in the Timeline above, the CDD could take all necessary actions to levy the assessments securing the bond issuance and finalize all attendant financing documents such that the CDD could close on an issuance of bonds at the expiration of the appeal waiting period. However, if through consultation with the underwriter, bond counsel, and/or financial advisor, it's determined to be in the best interests of the CDD to delay the issuance of bonds, beginning and concluding the validation process shortly after establishment ensures that the CDD is in the best position to issue bonds more quickly at such time it chooses to do so.

Individuals Involved in Post- Establishment CDD Operations and Financing

To get a CDD into the posture of issuing bonds and then to operate it into the future as the bonds are paid off, the developer needs the type of personnel a municipality would use for the same purpose, and many of the same experts that were used during the CDD establishment process.

District Manager - This role should be filled by the same person who served as the District Operations Expert during the establishment process, in part because that consultant will already be familiar with the CDD, the local political situation and (most importantly) the land development

that the CDD is being established to serve. Working at the direction of the CDD board of supervisors and in conjunction with District Counsel, the District Manager will handle such matters as competitive bidding and procurement, administration of special assessments, and management of CDD lands and facilities. NOTE: It is customary that this expert is the same as the Economist or Financial Advisor.

Economist or Financial Advisor - This consultant will give the CDD board of supervisors advice regarding the business decision on the sale of the bonds and prepare the annual assessments and is usually the same person who prepares the SERC mentioned on the previous page. NOTE: It is customary that this expert is the same as the District Manager.

District Engineer - The engineer will provide a formal report and support the cost estimates of the improvements financed by bonds and an on-going role as improvements are constructed.

District Counsel - After establishment, the CDD board of supervisors will engage a lawyer for day-to-day legal advice on the full range of legal issues. Often this lawyer is the same lawyer who established the CDD. Working in conjunction with the District Manager and under the board of supervisors' direction, District Counsel provides advice on such matters as competitive bidding and procurement contracts, imposition of special assessments, liability associated with CDD lands and operations, and the board's compliance with state open meetings and financial disclosure laws. In addition, District Counsel gives the state law opinions in bond closing, and may handle the bond validation or work with bond counsel on validation.

Investment Banker - Typically, the investment banker leads the financing effort for a CDD.

Bond Counsel - This lawyer is needed by the CDD for bond issuance and will perform much of the legal work and document preparation for the bond closing. Bond counsel may also assist with the bond validation proceeding and give the federal tax opinion necessary to support the financing.

Please let me know if you have any questions regarding the process or timeline of the matters discussed above. I appreciate the opportunity to be of service and look forward to working with you.

4. PROPOSED CAPITAL IMPROVEMENT PLAN

The CIP is intended to provide public infrastructure improvements for the Development. The public infrastructure for the CIP is described below. Moreover, the Developer has entered into that certain *Petitioner's Agreement Concerning the Visions at Orlando West Community Development District* dated August 9, 2023, with the County acknowledging the delivery of certain "enhanced" improvements, some of which are included in the CIP ("**Petitioner's Agreement**").

Onsite and Offsite Roadway Improvements:

The CIP includes subdivision roads within the District. Generally, all roads will be 2-lane un-divided roads. Such roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, striping and signage and sidewalks within rights-of-way abutting non-lot lands. Sidewalks abutting lots will be constructed by the homebuilders. All roads have been designed in accordance with County standards.

All internal roadways are intended to be financed by the District and transferred to the County for ownership and maintenance. Sidewalks located within the District will be owned and maintained by the District.

Offsite improvements include a deceleration lane at Osceola Polk Line Rd. and improvements to Forehand Road. All offsite roadway improvements will be turned over to the County for ownership and maintenance.

NOTE: In the event that impact fee credits are generated from any roadway improvements funded by the District, any such credits, if any, will belong to the District and may be the subject of a separate agreement between the Developer and the District.

Stormwater Management System:

The stormwater collection and outfall system is a combination of roadway curbs, curb inlets, pipes, control structures and dry retention and wet detention areas designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the criteria established by the applicable Water Management District and the County for stormwater/floodplain management systems.

The District will finance, own, operate and maintain the stormwater system.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of any grading of lots, or the costs of transporting any fill to private lots.

Onsite and Offsite Water and Wastewater Utilities:

As part of the CIP, the District intends to construct and/or acquire water and wastewater infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection, as well as offsite water line extensions.

Wastewater improvements for the project will include an onsite gravity collection system, offsite and onsite force main and onsite lift stations, and offsite sewer line extensions.

The onsite and off-site water and wastewater improvements for all phases included in the CIP will be constructed and/or acquired by the District and then dedicated to the Toho Water Authority for operation and maintenance.

Hardscape, Landscape, and Irrigation:

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and public rights-of-way. The County has distinct design criteria requirements for planting and irrigation design. This project will at a minimum meet those requirements and in most cases will exceed the requirements with enhancements for the benefit of the community consistent with the Petitioner's Agreement.

All such landscaping, irrigation and hardscaping within District common areas and public rights-of-way will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by the County will be maintained pursuant to a right-of-way agreement to be entered into with the County. Any landscaping, irrigation or hardscaping systems behind hard-gated roads, if any, would not be financed by the District and instead would be privately installed and maintained.

Streetlights / Undergrounding of Electrical Utility Lines

The District intends to lease streetlights through an agreement with a local utility provider and will fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP. The CIP may however include the incremental cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the local utility provider and not paid for by the District as part of the CIP.

Recreational Amenities:

As part of the overall development, the District may construct, own and operate a clubhouse and other amenity facilities. The CIP currently includes costs associated with amenity facility construction. However, the Developer may, alternatively, elect to finance all or a portion of such construction and turn over the facilities to a homeowner's association for private ownership, operation and maintenance. In such an event, the District would be limited to financing only the amenity facilities to be owned by the District, if any.

Environmental Conservation

The District will provide onsite conservation areas associated with the construction of the development. The District will be responsible for the maintenance of the buffer areas.

Professional Services

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

5. PERMITTING/CONSTRUCTION COMMENCEMENT

Except as noted below, all necessary permits for the construction of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

- Osceola County Preliminary Subdivision Plan (PSP)- Approved
- Osceola County Site Development Permit (SDP) Phase I and II – Approved

6. OPINION OF PROBABLE CONSTRUCTION COSTS / O&M RESPONSIBILITIES

The table shown in **Exhibit B** presents, among other things, the Opinion of Probable Cost for the CIP. It is our professional opinion that the costs set forth herein are reasonable and consistent with market pricing based upon provided estimated development costs.

7. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located;
- the CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the CIP that is at

least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, special and peculiar, to all lands within the District, including the Future Expansion Parcels. The general public, property owners outside the District, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District and the Future Expansion Parcels. Special and peculiar benefits accrue to property within the District, including the Future Expansion Parcels, and enables properties within its boundaries to be developed.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the CIP as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (the "Report") was developed to provide a financing plan and a special assessment methodology for the Visions at Orlando West Community Development District (the "District"), located entirely within Osceola County, Florida, as related to funding the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District.

1.2 Scope of the Report

This Report presents the projections for financing the District's Capital Improvement Plan described in the Engineer's Report developed by Stephens Barrios Engineering (the "District Engineer") and dated August 2024 (the "Engineer's Report"), which improvements set forth therein make up the CIP, as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the CIP. Please note that the Engineer's Report describes the CIP which would be required for the District after the projected expansion of its boundaries from the current approximately 36.5 +/- acres to the anticipated total of approximately 51.5 +/- acres.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the CIP create special and peculiar benefits, different in kind and degree from general and incidental benefits to the public at large. However, as discussed within this Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's CIP enables properties within its boundaries to be developed.

There is no doubt that the general public and property owners of property outside the District will benefit from the provision of the CIP. However, these benefits are only incidental since the CIP is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the CIP and do not depend upon the CIP to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the

special benefits which District properties receive compared to those lying outside of the District's boundaries.

The CIP will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the CIP. Even though the exact value of the benefits provided by the CIP is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the CIP as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District will serve the Visions at Orlando West development, a master planned residential development located entirely within Osceola County, Florida (the "Development"). The land within the District currently consists of approximately 36.5 +/- acres, while a future expansion parcel would account for an additional 15 +/- (the "Future Expansion Parcel"), for a total of 51.5 +/- acres, and is generally located north of Osceola Polk Line Rd., west of Sullivan Rd., and southeast of Forehand Rd.

2.2 The Development Program

The development of Visions at Orlando West is anticipated to be conducted by Visions at Orlando West, LLC, or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions 691 residential units and 62,081 square feet of retail space

within the current boundaries of the District as well as 277 residential units and 21,536 square feet of retail space within the Future Expansion Parcel for a total of 968 residential units and 83,617 square feet of residential space to be developed over a multi-year period in one or more development phases, although unit numbers, land use types and phasing may change throughout the development period. Table 1 in the *Appendix* illustrates the current development plan for Visions at Orlando West. Please note that Phase VII which is within the Future Expansion Parcel, is anticipated to contain a 1.5-acre parcel which is intended to be developed as a water park.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Plan

The public infrastructure improvements which are part of the CIP and are needed to serve the Development are projected to consist of master improvements which will serve all of the lands in the District. The District, however, reserves the right to create distinct assessment areas to coincide with the phases of development. The CIP will consist of onsite road, offsite road, stormwater management system, onsite utilities – water system, onsite utilities – wastewater system, onsite utilities – sanitary lift station, offsite water main extension, offsite sanitary sewer extension, offsite re-use line extension, landscape, hardscape, & irrigation/ reuse, and amenities, along with contingency and professional costs which cumulatively are estimated by the District Engineer at \$38,853,454, including the costs of public infrastructure improvements necessary for the development of the Future Expansion Parcel.

The public infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the CIP.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the CIP as described in *Section 3.2* in one financing transaction, the District would have to issue approximately \$53,485,000 in par amount of special assessment bonds (the "Bonds").

Please note that the purpose of this Report is to allocate the benefit of the CIP to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the CIP. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of \$53,485,000 to finance approximately \$38,853,454 in CIP costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvements and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$53,485,000. The difference is comprised of funding a debt service reserve, capitalized interest, underwriter's

discount and costs of issuance. Preliminary sources and uses of funding and assumptions for the Bonds are presented in Table 3 in the *Appendix*.

Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the CIP outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the CIP. All properties that receive special benefits from the CIP will be assessed for their fair share of the debt issued in order to finance all or a portion of the CIP.

5.2 Benefit Allocation

The most current development plan anticipates the development of 691 residential units and 62,081 square feet of retail space within the current boundaries of the District as well as 277 residential units and 21,536 square feet of retail space within the Future Expansion Parcel for a total of 968 residential units and 83,617 square feet of residential space to be developed over a multi-year period in one or more development phases, although unit numbers and land use types may change throughout the development period.

The public infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the public improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

By allowing for the land in the District to be developable, both the public infrastructure improvements that comprise the CIP and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure for community development to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the CIP have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than either the cost of, or the actual non-ad valorem assessment levied for, the improvement or debt allocated to that parcel of land.

The benefit associated with the CIP of the District is proposed to be allocated to the different product types within the District in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types, based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average product types with a greater density and greater intensity of use of infrastructure, such as large single-family lots, will use and benefit from the District's improvements more than product types with lesser density and lesser intensity of use of infrastructure, generally and on average product types with lesser density and lesser intensity of use of infrastructure produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than product types with greater density and greater intensity of use of infrastructure. Additionally, the value of the product types with greater density and greater intensity of use

of infrastructure is likely to appreciate by more in terms of dollars than that of the product types with lesser density and lesser intensity of use of infrastructure as a result of the implementation of the CIP. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different product types from the District's improvements.

If at any time, any portion of the property within the District is sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of Bond Assessments (hereinafter defined) thereon), or similarly exempt entity, all future unpaid Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

Tables 5A, 5B, and 5C in the *Appendix* present the apportionment of the assessment associated with funding the District's CIP (the "Bond Assessments") in accordance with the ERU benefit allocation method presented in Table 4. Tables 5A, 5B, and 5C also present the annual levels of the projected annual Bond Assessments per unit.

5.3 Assigning Debt

The Bond Assessments associated with repayment of the Bonds will initially be levied on all of the gross acres of land in the District. Consequently, the Bond Assessments will initially be levied on approximately 36.5 +/- gross acres on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$34,270,092.07 (the proportion of the total par amount of bonds attributable to Phases I-IV will be preliminarily levied on approximately 36.5 +/- gross acres at a rate of \$938,906.63 per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Tables 5A, 5B, and 5C in the *Appendix*. Such allocation of Bond Assessments to platted parcels will reduce the amount of Bond Assessments levied on unplatted gross acres within the District.

Further, to the extent that any residential land which has not been platted is sold to another developer or builder, the Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the CIP make the land in the District developable and saleable and when implemented jointly as parts of the CIP, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the CIP by different product types.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as

set forth in Table 1 in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Bond Assessments) able to be imposed on the "Remaining Unplatted Lands" (i.e., those remaining unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Bond Assessments to the product types being platted and the remaining property in accordance with this Report, and cause the Bond Assessments to be recorded in the District's Improvement Lien Book.

b. If a Proposed Plat results in a greater amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Bond Assessments for all assessed properties within the District or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat results in a lower amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer, District Counsel and the District's Bond Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Bond Assessments) are able to be imposed on the Remaining Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the Development, b) the revised, overall development plan showing the number and type of units reasonably planned for the Development, c) proof of the amount of entitlements for the Remaining Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in

accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Bond Assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular Bond Assessment installment payable for such lands, and shall constitute part of the Bond Assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Bond Assessments levied run with the land, and such Bond Assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's Bond Assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Assessment Roll

The Bond Assessments of \$53,485,000 are proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, Bond Assessments shall be paid in thirty (30) annual principal installments.

5.8 Additional Items Regarding Bond Assessment Imposition and Allocation

This master assessment allocation methodology is intended to establish the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein comprising the CIP. All such liens shall be within the benefit limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

As noted herein, the CIP functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property or designated assessment area within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

As set forth in any supplemental report, and for any particular bond issuance, the Developer may opt to “buy down” the Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, may require a payment to satisfy “true-up” obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down Bond Assessments will not be eligible for “deferred costs,” if any are provided for in connection with any particular bond issuance.

No Bond Assessments will be allocated herein to any public or private amenities or other common areas planned for the Development. Such amenities and common areas will be owned and operated by the District and/or master homeowners’ association. If owned by a homeowners’ association, the amenities will be considered a common element for the exclusive benefit of property owners. Alternatively, if owned by the District, the amenities will be available for use by the public, subject to the District’s rules and policies. Accordingly, any benefit to the amenities and common areas flows directly to the benefit of all property in the District. As such, no Bond Assessments will be assigned to the amenities and common areas.

In the event that the CIP is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the Bond Assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

Section 2. Certain Details of the Bonds. The Bonds and the interest thereon, shall not be deemed to constitute a debt, liability or obligation of the District (except as provided herein), Osceola County, Florida (the “County”), or of the State of Florida (the “State”), or of any other political subdivision thereof, but shall be payable solely from the Special Assessments (as defined in the form of Indenture hereinafter referred to) levied by the District on property within the District benefited by the Project and subject to assessment, as set forth in the Indenture, and neither the faith and credit nor any taxing power of the District, the County or the State, or of any other political subdivision thereof, is pledged to the payment of the principal of or interest on the Bonds, except for Special Assessments to be assessed and levied by the District to secure and pay the Bonds.

The Bonds shall:

(iv) shall be payable in not more than 30 annual installments of principal; and

(v) be dated as provided in a resolution adopted by the District prior to the issuance and delivery thereof.

The final maturity date or dates of the Bonds and the interest rate or rates thereon shall be determined, within the foregoing limits, and any optional, mandatory and extraordinary redemption provisions thereof shall be fixed, by the Indenture hereinafter referred to or by one or more resolutions of the District to be adopted prior to the delivery of the Bonds of any series. In other respects, the Bonds shall be in the form, shall be executed and authenticated, shall be subject to replacement and shall be delivered as provided in the Indenture hereinafter referred to, the form of which is set out as composite **Exhibit "A"** attached hereto.

The Indenture shall be in substantially the forms thereof attached hereto and marked composite **Exhibit "A"** and are hereby approved, with such modifications, additions,

deletions, filling in of blanks or other changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or in his or her absence, the Vice Chairperson) executing the same, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any such changes therein from the forms of Indenture attached hereto.

Section 5. Sale of Bonds. Pursuant to the provisions of Section 190.016(1) of the Act, the Bonds may be delivered in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale after such advertisement, if any, as the Board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon, in conformance with the provisions of the Act.

ARTICLE II THE BONDS

SECTION 2.01 Amounts and Terms of Bonds; Details of Bonds. The Issuer is hereby authorized to issue in one or more Series pursuant to the terms and conditions of this Master Indenture, its obligations to be known as “Visions at Orlando West Community Development District Special Assessment Bonds, Series [to be designated]” (the “Bonds”). The total principal amount of Bonds that may be issued and Outstanding under this Master Indenture shall not be limited, but shall be subject to any conditions set forth in a Supplemental Indenture and Florida law. The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as Exhibit C, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer’s request, authenticate such Bonds and deliver them as specified in such request. If the Issuer should change its name, no amendment shall be required to be made to this Master Indenture, any Supplemental Indenture or Bonds issued thereunder.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Unless otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, the principal of all Bonds shall be payable at the designated corporate trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

Except to the extent otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, interest on any Bond is payable on any Interest Payment Date by check or draft mailed on the Interest Payment Date to the person in whose name that Bond is registered at the close of business on the Regular Record Date for such Interest Payment Date, at his address as it appears on the Bond Register. The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called “Defaulted Interest”) shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given by Electronic Means or mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to giving such notices, at his address as it appears in the Bond Register. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall

be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds and shall also be authorized to authenticate the Bonds.

SECTION 2.02 Execution. The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03 Authentication. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as authentication agent and shall be authorized to authenticate the Bonds.

SECTION 2.04 Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the “Bond Register” or “Register”) in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee’s designated corporate trust office in Fort Lauderdale, Florida.

SECTION 2.05 Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06 Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07 Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar or the Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

SECTION 2.08 Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of giving of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of giving such notice, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09 Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10 Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11 Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York (“DTC”) and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“Direct Participants”) and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through Direct Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DIRECT PARTICIPANTS AND DIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

ARTICLE V
ACQUISITION AND CONSTRUCTION FUND

SECTION 5.01 Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid costs of issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) *Deposits.* In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) Subject to the provisions of Section 9.24 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) Subject to the provisions of Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) Deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and

(iv) Amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of the Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be applied as set forth in paragraph (c) below.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of

this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to authorize disbursement of funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the “Completion Date”), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01 Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. Any funds for which the Issuer does not so notify the Trustee upon the deposit thereof with the Trustee will be deposited in the Revenue Fund. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02 Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental

Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03 Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt

Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, if applicable, remain therein, unless pursuant to any Tax Compliance Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Tax Compliance Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04 Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05 Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture and as provided herein; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service

Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the Issuer or the District Manager, on behalf of the Issuer, or the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06 Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07 Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08 Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09 Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10 Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however,

that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11 Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom if and as so directed by the Issuer at the times and in the amounts required to comply with any applicable provisions in the applicable Tax Compliance Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and as to the Issuer, also as set forth in the applicable Tax Compliance Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Tax Compliance Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Tax Compliance Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Tax Compliance Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation of the Issuer to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Tax Compliance Certificate shall survive the defeasance or payment in full of the Bonds.

The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII

SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01 Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except with respect to Investment Securities of a type described in (iii) of the definition thereof, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02 Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (iii), (iv), (v), (vi), (ix), (x), or (xi) of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or

Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the Issuer for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

SECTION 7.03 Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture 45 days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01 Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) if made applicable in the Supplemental Indenture with respect to a Series of Bonds, from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) if made applicable in the Supplemental Indenture with respect to a Series of Bonds, from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) if the following is made applicable by the terms of a Supplemental Indenture, from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund payments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased and cancelled pursuant to Section 6.04 hereof.

Upon any redemption or purchase of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

SECTION 8.02 Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;
- (e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and
- (f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a designated corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means provided the Trustee can establish such other means of giving notice was in fact given.

SECTION 8.03 Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly given, mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so given, mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04 Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount

of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

[END OF ARTICLE VIII]

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01 Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02 Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03 Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is

required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04 Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holders of a Series of Bonds are providing direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the “Uniform Method”), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders of the applicable Series of Bonds directs the Issuer otherwise upon an Event of Default. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds, at the Issuer’s own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the “Property Appraiser and Tax Collector Agreement”) in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make

material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders. If directed by the Beneficial Owners of a majority of the Bonds Outstanding or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Beneficial Owners of a majority of the Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.05 [RESERVED].

SECTION 9.06 [RESERVED].

SECTION 9.07 Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, as soon as practicable after such audit shall become available, and shall, upon written request, be mailed to any Registered Owner.

SECTION 9.08 Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Completion Date and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer, upon receipt of the prepayment by the Trustee, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least 45 days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall within five (5) Business Days pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or

such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit, if any, authorized pursuant to Section 6.05 hereof, and transfer such credit, if any, to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09 Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series account within of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10 Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11 Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer

shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12 Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13 Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14 Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the

Trustee for such purpose which may be an Account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

SECTION 9.15 Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16 Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17 Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18 Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19 Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20 Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any

Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21 Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable reputation for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22 Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23 Information Required to Be Maintained by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of a Project. The Issuer shall keep accurate records and books of account with respect to a Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

SECTION 9.24 Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25 Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer.

SECTION 9.26 No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27 Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.28 Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

SECTION 9.29 Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30 Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31 Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such

Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Tax Compliance Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32 Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33 Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, “Beneficial Owner” means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34 Bankruptcy of Developer or Other Obligated Person Under the Rule. The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other “obligated” person (as defined under the applicable Continuing Disclosure Agreement) (herein, the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Bonds remain Outstanding, in any Proceeding involving the Issuer, any Landowner, or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee and the Trustee, subject to the satisfaction of its rights under Article XI hereof, shall be obligated to act in accordance with the direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds with regard to all matters directly or indirectly affecting the Bonds.

(a) The Issuer acknowledges and agrees that, although the Bonds will be issued by the Issuer, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner:

(i) the Issuer hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Holders of the Bonds Outstanding, prior to

making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments relating to the Bonds Outstanding, the Outstanding Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(ii) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee or Bondholders under this Master Indenture or applicable Supplemental Trust Indenture that is inconsistent with any direction from the Trustee;

(iii) the Issuer hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Holders of the Bonds Outstanding, to the proposed action if the Issuer does not receive a written response from the Trustee within thirty (30) days following receipt by the Trustee of the written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the Issuer, as claimant with respect to the Special Assessments relating to the Bonds would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the Issuer shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Special Assessments relating to the Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Landowner's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

(b) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the

Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee; provided, however, that the Issuer shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (a)(iv) above, unless such has a negative effect on the Issuer's operation and maintenance claim; provided, however that in no event shall the Issuer seek to reduce the amount of any Special Assessments.

(c) Notwithstanding anything herein to the contrary, the Trustee shall only act in connection with a Proceeding upon timely written direction of the Majority Holders, upon which the Trustee may conclusively rely, together with indemnity satisfactory to the Trustee sufficient to cover any fees, costs and expenses (including attorney's fees, costs and expenses) of the Trustee or that may be incurred by the Trustee in connections with such Proceeding. The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of the Indenture regardless of whether there exists an Event of Default. The Issuer shall notify a Responsible Officer of the Trustee in writing (the "Bankruptcy Notice") immediately upon obtaining knowledge of any Proceeding. In addition to giving notice of the Proceeding in reasonable detail, the Bankruptcy Notice shall also specifically reference this Section 9.34(c). In the event that the Trustee receives any moneys as the result of a Proceeding, the Trustee shall first reimburse any of its outstanding fees and/or the fees, costs and expenses incurred in connection with the Proceedings (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01 Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02 Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if any time the amount in any Series Account of the Debt Service Reserve Fund is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of a Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days after the date when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (e) above has occurred.

SECTION 10.03 No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of the Outstanding Bonds of such Series of Bonds agree to such redemption.

SECTION 10.04 Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.05 Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.06 Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

SECTION 10.07 Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Outstanding Bonds of the applicable Series shall have requested

the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.08 Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.09 Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.10 Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.11 Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit

Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.12 Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 10.13 Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.14 Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under his Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI
THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01 Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto and the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

SECTION 11.02 No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03 Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel or other experts concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected by it with reasonable care or for following the advice of Counsel or other experts. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder.

SECTION 11.04 Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall each month, along with its monthly trust statements, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05 No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06 Notice of Default; Right to Investigate. The Trustee shall give written notice by Electronic Means or first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time

require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07 Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08 Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09 Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10 Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11 Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12 Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an

instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13 Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders in aggregate principal amount of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.14 Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15 Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16 Merger of Trustee. Any corporation, entity or other purchaser into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation entity or other purchaser resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation, entity or other purchaser which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or other purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation, entity or other purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17 Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.24 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18 Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19 Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20 Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21 Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22 Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer, any rating agency that shall then have in effect a rating on the Bonds, and all Bondholders.

SECTION 11.23 Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Registrar, except for its rights under Section 11.04 hereof, and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24 Successor by Merger or Consolidation. Any corporation, entity or other purchaser into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation, entity or other purchaser resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation, entity or other purchaser which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

SECTION 11.25 Brokerage Confirmations. The Issuer acknowledges that to the extent regulations of the United States Comptroller of the Currency or other applicable regulatory entity grant the Issuer the right to receive individual confirmations of security transactions at no additional cost, as they occur, the Issuer specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Issuer periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

The fact and date of the execution by any person of any such instrument may be provided by acknowledgment before a notary public or other officer empowered to take acknowledgments or by an affidavit of a witness to such execution. ARTICLE XIII AMENDMENTS AND SUPPLEMENTS

SECTION 13.01 Amendments and Supplements Without Bondholders' Consent. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

(b) for any purpose not inconsistent with the terms of the related Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the related Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;

(c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any portion of a Project to the State, the County, or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders; and

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of counsel to the Issuer, such changes either: (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

SECTION 13.02 Amendments With Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Holders in aggregate principal amount of the Bonds then Outstanding in the case of this Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Outstanding Bonds to be so amended.

SECTION 13.03 Trustee Authorized to Join in Amendments and Supplements; Reliance on Counsel. The Trustee is authorized to join in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article XIII and in so doing is entitled to require and to rely on a written opinion of Counsel at the expense of the Issuer that such Supplemental Indenture or amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement have been done. The Trustee shall not be obligated to enter into any Supplemental Indenture or amendment that imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities hereunder.

[END OF ARTICLE XIII]

ARTICLE XIV DEFEASANCE

SECTION 14.01 Defeasance. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the “Escrow Agent”) moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys, remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer, but only to the extent the Issuer has agreed to pay the same on or before the defeasance of the Bonds, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds (other than the Rebate Fund, unless all rebate liability has been satisfied as determined by the Issuer) and Accounts established under the Indenture shall be defeased and discharged, and the Trustee, on demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Series Funds and Accounts (other than the Rebate Fund) upon the defeasance in whole of all of the Bonds of a Series.

SECTION 14.02 Deposit of Funds for Payment of Bonds. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the Trustee and any Escrow Agent a verification from a firm of independent certified public accountants, or such other independent firm recognized for preparing such a verification, stating that the principal of and interest on the Defeasance Securities, together with the stated amount of any cash remaining on deposit with the Escrow Agent, will be sufficient without reinvestment to pay the remaining principal of, redemption premium, if any, and interest on such defeased Bonds.

Money so deposited with the Escrow Agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the

knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of the Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Escrow Agent, before making payment to the Issuer, at the expense of the Issuer, may, and if directed by the Issuer shall, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

The Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay a portion of the design, acquisition, construction and certain ongoing operations and maintenance costs of certain public infrastructure improvements including, but not limited to, a water distribution system, including the payment of connection fees; a sanitary sewer system, including the payment of connection fees; stormwater management and drainage systems; roadway improvements, including, but not limited to, landscaping, an irrigation system and entrance/lighting features, and the payment of road impact fees; and all related soft and incidental costs. The Bonds shall be issued as fully registered Bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of _____ 1, 2024 (the “Master Indenture”), as amended and supplemented by a _____ Supplemental Trust Indenture dated as of _____ 1, 20__ (the “_____ Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Bonds issued under the Indenture, the operation and application of the Debt Service Fund and other Funds and Accounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of, premium, if any, and the interest on the Bonds, the levy and the evidencing and certifying for collection, of Special Assessments, the nature and extent of the security for the Bonds, the terms and conditions on which the Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of Bonds, the conditions under which such Indenture may be amended with the consent of the registered owners of a majority in aggregate principal amount of the Bonds Outstanding, and as to other rights and remedies of the registered owners of the Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the County, the State of Florida or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State of Florida or any other political subdivision thereof, for the payment of the principal of, premium, if any, and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Bonds shall be made on the dates specified below. Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 of the Indenture; (ii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other excluded fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iii) if made applicable in a Supplemental Indenture, from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (iv) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; (v) if made applicable in a Supplemental Indenture, from moneys, if any, on deposit in the Bond Redemption Fund following condemnation or the sale of any portion of the District Lands benefited by the Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to the Indenture to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) either prior to the Completion Date or after the Completion Date, as the case may be, from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed by first class mail, postage prepaid, at least thirty but not more than sixty days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of

the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds Outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates specified below.

(a) Optional Redemption. The Series 2024 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected randomly), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal (including any credit from resulting excess in the Series 2024 Reserve Account as provided herein) deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the Capital Improvement Plan and which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

If such extraordinary mandatory redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(c) Mandatory Sinking Fund Redemption. The Series 2024 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption or purchase of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall

be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

REMOVAL OF SERIES 2024 SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2024 Acquisition and Construction Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2024 Acquisition and Construction Account, and such moneys in the Series 2024 Acquisition and Construction Account shall be applied as set forth in Section 5.01 of the Master Indenture. Any moneys remaining in the Series 2024 Acquisition and Construction Account on the Completion Date after retaining an amount required to pay all remaining costs of the Capital Improvement Plan, as evidenced in writing from the Issuer or from the District Manager, on behalf of the Issuer to the Trustee, shall be transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and make such payments as provided in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the “Series 2024 Costs of Issuance Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the actual costs of issuing the Series 2024 Bonds requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account in accordance with SEVENTH of Section 4.02. When there are no further moneys therein, including moneys deposited in the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Release Conditions, the Series 2024 Acquisition and Construction Account and the Series 2024 Cost of Issuance Account, as the case may be, shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2024 Revenue Account.” Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which are identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Principal Account.” Moneys shall be deposited into the Series 2024 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Interest Account.” Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and

Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Capitalized Interest Account.” Moneys deposited into the Series 2024 Capitalized Interest Account pursuant to Section 6.04 of the Master Indenture and Section 2.06 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2024 Sinking Fund Account.” Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2024 Reserve Account.” Proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture. Subject to the next succeeding paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account as described below to the Series 2024 Acquisition and

Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition that has been submitted to Trustee, all or a portion of which remains unfunded for the payment of Costs of the Capital Improvement Plan as further provided in Section 4.01(a) herein and applied for the purposes provided therein. Such payment is authorized notwithstanding that the Completion Date might have been declared provided there are Costs of the Capital Improvement Plan that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account shall be transferred to the Series 2024 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee, and the Trustee shall apply any excess in the Series 2024 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2024 Bond Redemption Account” and within such Account, a “Series 2024 General Redemption Subaccount,” a “Series 2024 Optional Redemption Subaccount,” and a “Series 2024 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2024 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held in such Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2024 Rebate Fund designated as the “Series 2024 Rebate Fund.” Moneys shall be deposited into the Series 2024 Rebate Fund, as provided in the Tax Compliance Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing [May 1, 2025], to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing [November 1, 2025], to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing [May 1, 2025], to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is the principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SIXTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Tax Compliance Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Notwithstanding that the Issuer has funded the Series 2024 Capitalized Interest Account to pay interest on the Series 2024 Bonds through at least [May 1, 2025], moneys on deposit in the Series 2024 Capitalized Interest Account, including all investment earnings thereon, shall remain on deposit in such Account and be used by the Trustee to pay interest on the Series 2024 Bonds on any subsequent interest Payment Date if moneys remain after [May 1, 2025]. When such Account has been depleted of all funds, the Trustee shall be authorized to close such Account.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2024 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. The Capital Improvement Plan to Conform to Consulting Engineers Report. Upon the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct or acquire the Capital Improvement Plan, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof, or by operation of law, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Interest Payment Date (or the first succeeding Interest Payment Date if such Prepayment is made within 45 calendar days before an Interest Payment Date), attributable to the property subject to Series 2024 Special Assessment owned by such owner.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2024 Special Assessments relating to the acquisition and construction of the Capital Improvement Plan through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy the Series 2024 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2024 Special Assessments unless the Series 2024 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Trustee and the Issuer may rely on a written certificate from the District Manager regarding the occurrence of the Series 2024 Special Assessments being Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2024 Special Assessments, at any time upon the written consent of the Majority Holders.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires more than fifty percent (50%) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding and

provided, however, that such actions shall not affect the tax exempt status of the Series 2024 Bonds, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Capital Improvement Plan or otherwise) without the consent of the Majority Holders, and (iii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the Issuer and the Issuer covenants not to enter into any contract regarding the Capital Improvement Plan from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

(i) from Series 2024 Prepayment Principal (including any credit from resulting excess in the Series 2024 Reserve Account as provided herein) deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the Capital Improvement Plan and which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer,

thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.
